

KOMODO

KOMODO è un sistema modulare di sedute configurabile a piacere. I moduli possono essere fissati tra loro e gli schienali e i braccioli sono agganciabili su tutti i lati della seduta.

Oltre alla versione standard KOMODO 5, è possibile configurare e ordinare la tua versione personalizzata elencando tutti i singoli elementi che la formano.

KOMODO is a modular system of upholstered seats which can be configured to suit your particular needs. The modules can be secured to one another and the backrests and armrests can be attached on all sides of the seat.

In addition to the standard KOMODO 5 version, you can configure and order your own customized version simply by listing all the individual elements you require.
